BREAM 10'6"

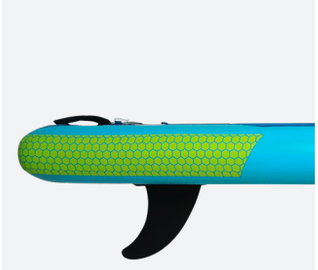
Discover new horizons

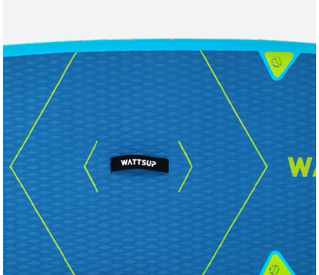
Thanks to its **tapered tail** and 3.2-metre length, the Bream can reach high speeds and glide along smoothly. Get ready to discover unusual places while enjoying optimum comfort: **a kayak seat and double-bladed paddle are supplied, making it easy to navigate from a seated position.**

This model is ideal for beginners and intermediates who want to progress quickly. As well as its innovative, futuristic design, it has a very comfortable EVA mat with a kick pad on the tail. This raised section at the rear provides perfect support for easy turns in the waves.

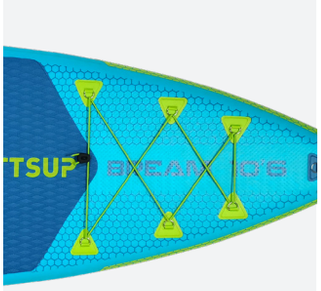


A perfect glide thanks to its central fin

Ultra-comfortable EVA mat with kick pad on tail



2 in 1 use:
fastening and kayak chair included



Cargo space ultra-practical : front elastic straps

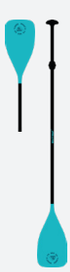
The WATTSUP advantage: Accessories included

Transport bag ultra-comfortable

Double action inflation pump

Kayak seat

Leash coiled



x1 Adjustable 2-in-1 aluminium paddle
