Poollex Silverline Inverter: Inverter Technology at an unbeatable price.

Building on its success, the Poollex Silverline is now available with the Full Inverter technology.

Featuring a multi-frequency compressor and a variable speed fan, it is one of the best performing and most silent heat pump on the market.

Still as simple to use thanks to its LCD control panel with wired extension at 10 m, this heat pump includes the Touch & Go technology for enhanced ease of use.

Its titanium coil Twisted Tech® heat exchanger guarantees an even quicker rise in pool temperature.

Poollex Full Inverter at an unbeatable price.
