CONVENIENT & COMFORTABLE ALL YEAR ROUND

The Idaho is a semi-rigid spa for **6 people,** offering **comfort and thermal insulation** thanks to its foam structure. Its standout feature is **the built-in heater, seamlessly integrated into the structure** to optimize space and simplify installation. Supplied with an insulating cover, a filter, and a wired remote control, the Idaho is both **elegant and practical,** making it perfect for relaxation all year round.

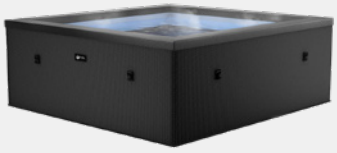

CUSTOMIZE YOUR IDAHO

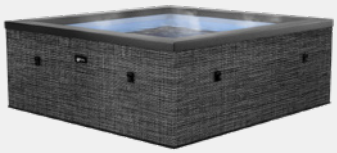

The Idaho stands out with its **customizable exterior,** available in four elegant colors. This feature allows you to adapt the spa to your outdoor space and personal style:

Pebble White

Charcoal Black

Flint Grey

7-meter waterproof power cable with safety plug and differential switch

BUBBLE MASSAGE SYSTEM WITH 90 JETS

The bubble massage system releases a large number of bubbles, promoting optimal relaxation through an even distribution of air bubbles.
