SPECTRA
INFRARED CABIN

In need to relax and let go? Nothing like spending time in a sauna to recharge your batteries.

With its Dual Healthy technology, the Spectra offers 2 main infrared technologies with different benefits. Chose between Full Spectrum Quartz to sooth away muscle and joint aches, or magnesium to stimulate sweating and blood circulation.

Made from Canadian spruce wood, the Spectra regroups everything that will make for a perfect moment. Outside lighting, audio system, chromotherapy, remote control panel, all making life easier and turning this sauna into a best seller with a selection of 3 dimensions.

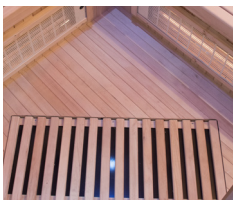

DUAL Healthy

Quartz has the particularity of heating almost instantly and providing a gentle and focused heat. Recommended in case of joint pain, the emitted short waves penetrate deep into the skin.

Magnesium ensures a surrounding and intense heating thanks to a slower heating process. The epidermis is therefore stimulated to increase sweating and relaxation.

MAIN FEATURES

Quartz/ Magnesium panels

Carbon floor panel

Control panel

Lighting inside / outside

MP3/FM player

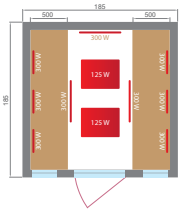

Chromotherapy

CHARACTERISTICS

Capacity	2 persons	3 persons	4 persons
Floor dimensions	140 x 110 cm	160 x 160 cm	185 x 185 cm
