A PARTNERSHIP

NEW RANGE

ICE BATH

NEXT-GENERATION
COLD THERAPY

The brands Netspa and UFC have partnered to create a next-generation ice bath using advanced drop-stitch technology.

This cold bath is designed to meet the demands of modern athletes, whether fighters or other sports enthusiasts looking to optimize their recovery.

Innovative and robust, this model is compatible with ice for rapid immersion or can be equipped with a chiller to maintain an ideal temperature throughout the session.

BENEFITS

MIND

- Stress reduction
- Improved self-confidence
- Improved mood
- Improved sleep
- Concentration and mental clarity

BODY

- Muscle recovery
- Inflammation reduction
- Improved circulation
- Pain relief

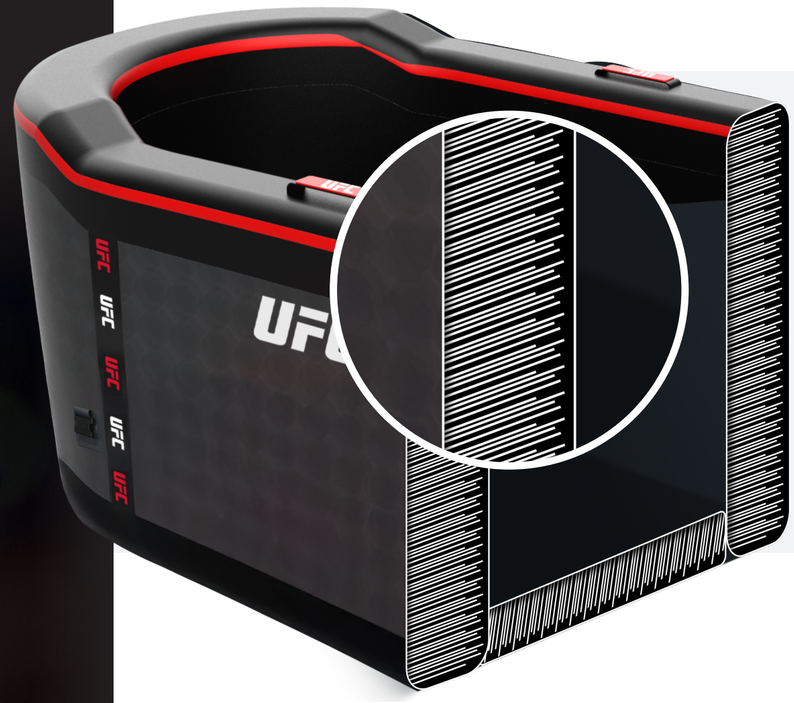

COMPATIBLE WITH ICE & CHILLER

A versatile pool, it can be cooled using ice or a chiller to transform the water into a revitalizing ice bath.

The chiller offers the ability to cool the water down to 3°C electrically, saving you the cost of purchasing 50 kg of ice for each bath.

ICE | CHILLER

DROP-STITCH TECHNOLOGY

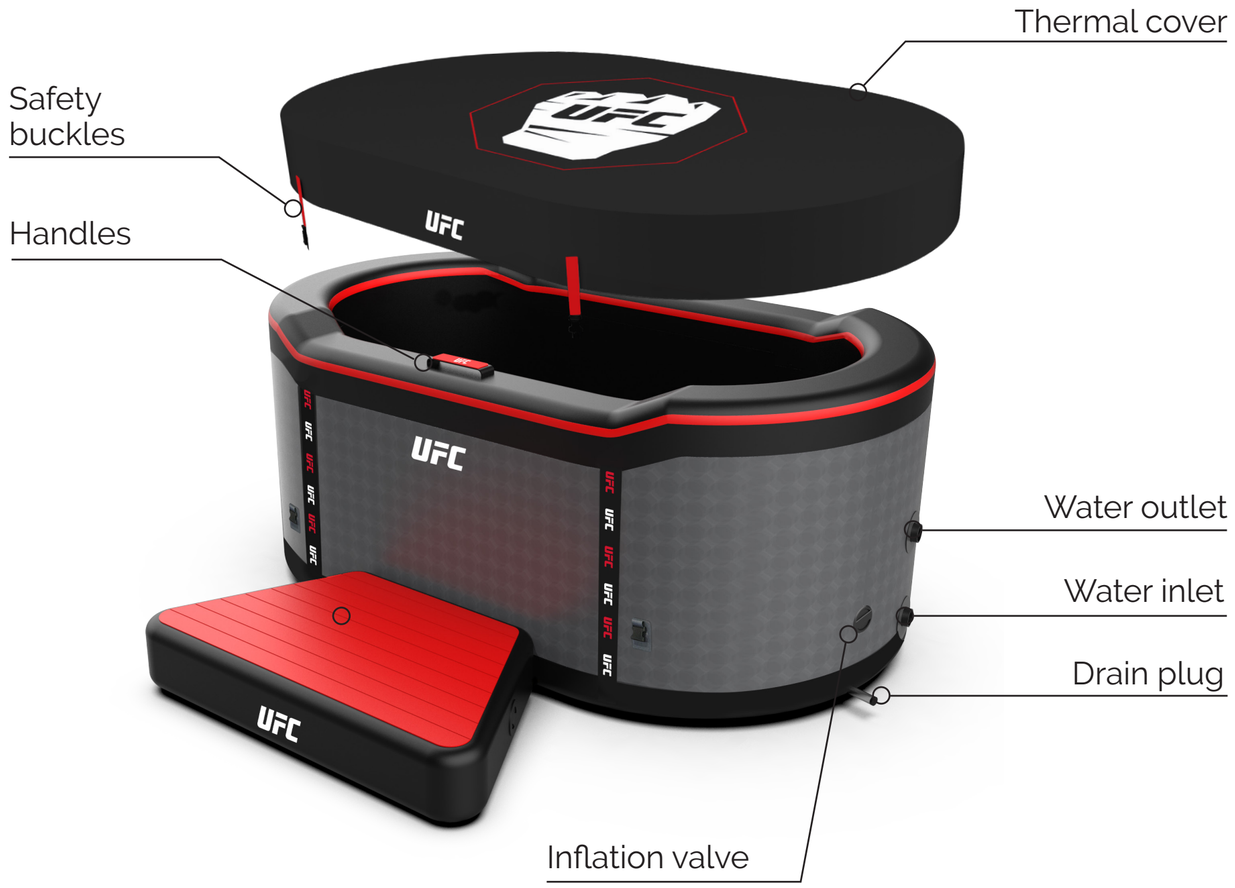

High-pressure inflation for exceptional stability and rigidity, with the floor also using drop-stitch technology.

SIMPLE, FAST & COMPLETE

- **Simple and quick setup:** less than 5 minutes to inflate the pool, ideal for immediate and hassle-free use.
- **Complete pack with accessories:** inflation pump, carrying bag, thermal cover, connection kit, repair kit, and free anti-bacterial cartridge.
- **Optimal insulation:** keep the bath at the desired temperature thanks to innovative materials and its thermal cover.

THE EQUIPPED ICE BATH

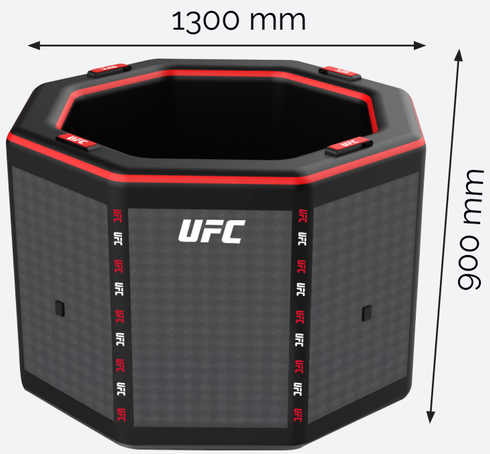

COMPLETE PACK INCLUDED
