Formidra Prestige

DADA PIÙ

Formidra renews its flagship model, the DADA. Available in straight or curved version, it combines Formidra hybrid technology with a capacity of 40L, guaranteeing temperature showers, whatever the number of users. The high-end finishes of its stainless steel-look mixers, its adjustable shower head and handshower make it an exceptional object.

FORMIDRA INNOVATION
HYBRID TECHNOLOGY

The DADA line not only includes FORMIDRA solar technology but also a hot water inlet from the main supply of the house. This way, you benefit from 100% solar hot water abd from hot water drawn from the domestic supply when necessary.
