NETSPA

THE ICE BATH REVOLUTION

The Järvi is a Drop-Stitch pool designed for athletes and fitness enthusiasts who want to take ice baths. Thanks to its structure, it is rigid and lightweight, making it easy to transport and store.

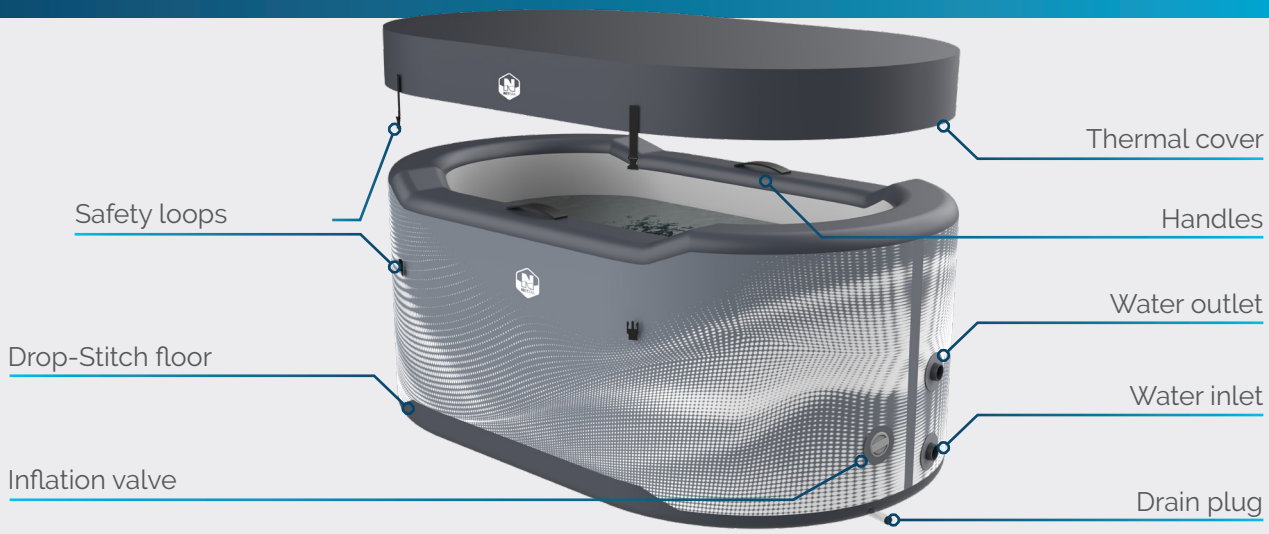

Made with high-quality materials, it ensures excellent thermal insulation and stable immersion. Easy to install and maintain, **the Järvi is unique in that it is compatible with both ice cubes for cooling the water and a chiller connection via the D32 mm connection kit.**

The chiller allows the water to be cooled down to 2°C electrically, saving you the need to purchase 50 kg of ice for each bath.
