WIRLESS VACUUM

NETSPA CLEANER SUPER VAC

For spa and pool

CE

NETSPA CLEANER SUPER VAC

A revolution for the maintenance of your pool!

Specially designed for spas and pools above ground, this vacuum cleaner will allow you to easily clean your pool. With its telescopic handle and swivel head, you can now go anywhere in your pool without putting your hands in the water.

Compact and powerful, it can suck up all the impurities and small debris present in the water. Its front receptacle will hold heavy debris like sand and pebbles while its filter traps impurities.

Included :

- 1 vacuum cleaner
- 1 **telescopic** handle
- 1 handle « **Soft Grip** »
- 1 **Swivel** head
- 1 Charger
- A user manual
- 3 **Rechargeable** Li-ion Batteries
