COD 2P

ROBUST, STABLE AND COMFORTABLE

With its two-person design and pressure valves, the COD kayak is the ideal choice for duo adventures. Its PVC laminate and drop stitch structure guarantee exceptional durability, giving you unrivalled stability whether you're sailing on calm or choppy waters.

With its well-balanced dimensions and great stability, the COD kayak lets you paddle with confidence, whether it's a leisurely stroll on a peaceful lake or a thrilling escapade on rough coastal waters. Integrated pressure valves ensure easy inflation and optimum rigidity, so you can enjoy your adventure without worry.
